

Pick Your Down Payment Information and Restrictions

- Starting November 1, 2018 through January 31, 2019 you have the opportunity to pick your own down payment for comprehensive orthodontic treatment starting as low as \$99.00. This is also a good time to use any HSA or expiring insurance plans.
- The balance of the treatment fee can be spread out up to thirty (30) months. The larger the down payment the lower the monthly payments, and the lower the down payment the larger the monthly payment.
- This offer is valid for patients that;
 - o have their complimentary initial visit between Nov. 1, 2018 and Jan 31, 2019,
 - o start treatment between Nov. 1, 2018 and Jan 31, 2019,
 - o and the applicable treatment is greater than \$3,000.00.
- This offer is NOT valid for;
 - o patients that have already started treatment
 - o responsible parties that have already agreed to other financial arrangements
 - o any treatment using clear aligners of any type, e.g. Invisalign or Clear Correct
 - o any treatment using 6-Month Smiles
- Not all new patients are dentally ready for orthodontic treatment; however, if a delay of treatment is necessary for dental reasons, this offer will be valid until December 31, 2019. Dental delays include; need updated teeth cleanings, cavities filled, waiting for some baby teeth to come out or adult teeth to come in.
- This offer is not valid with any other offers, promotions, or discounts.
- The start of treatment will be when any type of braces have been placed in the mouth
